

A hand is shown from the right, holding a large quantity of golden wheat grains. The grains are falling into a lush green field. In the background, a sunset sky is visible with warm orange and yellow tones, and some dark clouds. The overall scene is peaceful and evokes a sense of harvest and generosity.

2013-2016 Quadrennium Four Focus Areas of The United Methodist Church

The Four Areas of Focus express the vision and yearnings of the people of The United Methodist Church. Over the next quadrennium, United Methodists will seek to make disciples for Jesus Christ for the transformation of the world by working around these areas of ministry.

Combat the diseases of poverty by improving health globally.

Create new places for new people and revitalize existing congregations.

Develop principled Christian leaders for the church and the world.

Engage in ministry with the poor.

Christ-Centered Transformation

The church is called to be a Christ-centered, disciple-making, transformational community
